SPONSORED BY YOUNG'S NURSERIES

1st ROADE SCOUT GROUP

With over 70 members, the Roade Scout Group, which covers Ashton and Stoke Bruerne, is rapidly growing to be one of the largest in the district. Divided into four sections; Beaver Scouts from age 6 to 8; Cub Scouts from 8 to 10; Scouts from 11 to 15; and our newly formed Venture Scout Unit which takes boys and girls from 16 to 19. The Beaver Colony now has a waiting list for entry but all the other units are always able to take more members.

If you would like to know more about the group, please give our group leader a ring and she will be only too pleased to help or pass your enquiry on to the particular section leader. Her name is **Carol Fraser** and she can be contacted on **862717**.

The SCOUT Section - The Scouts continue to grow in number almost on a weekly basis. Their popularity seems to be linked to the large number of events put on throughout the year. Some of the main items in store over the next six months are :-

- 1) **Caving, climbing and mountain biking** in Derbyshire for three days in April
- 2) **District Camp** at Grendon Hall with such diverse activities as **Archery and Scuba Diving**.
- 3) **Summer Camp** for a week in the Lake District with all **mountain and water pursuits**.
- 4) **Canoeing and sailing** on the Trent for a long week-end at the end of summer.

Over the last few years **Lesley Godfrey** has planted, at her own expense, a large number of daffodils on the verge and in front of her home on Roade Hill to enhance the village. This spring **someone has stolen all of the flowers**. The thief cut off every bloom with scissors and walked away with a very large number of daffodils. If any one witnessed the theft please contact Lesley on 862027.

Brian Sale takes part in his first motor race of the season on **7 May at Cadwell Park**. Brian has been very successful in previous years and is now looking for sponsorship from local businesses to help with this season's expenses. Brian can be contacted on 863324.

YOUNG'S NURSERIES
