12<sup>th</sup> May 2010. PRE AGM**

Members of the Parish Council Present

Bernard Day – Chairman  
Terry Turvey  
Andrew Fowler  
Sandra Lemon  
Ginny Wareham - Clerk

1. Welcome and Apologies – Jeremy Roy, Jamie Watters, Steve Green & Martin Wilson (District Councillor)

2. Public Time – There was 1 member of the public, Brian Nevison  
Brian asked about the Sharman's field development. We advised that it has been approved for what was asked.

3. Minutes of the previous meetings.

March 10<sup>th</sup> 2010 was agreed as a true record. Proposed by Sandra Lemon and seconded by Andrew Fowler. Change on point 5. Andy Fowler did not say he would bring the churchyard mowing at the next PPC meeting. This should have read Bernard Day.

4. Matter arising.

Contribution towards the churchyard mowing. Bernard spoke to the PCC and they have advised they have no money to help with this bill. Terry Turvey was not happy that the Parish Council should be funding 100% of the grass cutting bill which is just under 20% of the Parish Council precept. The church did offer a token £50. It was agreed that this would be brought up at the next PC meeting when hopefully everyone can attend and we vote on how we should proceed with this for the grass cutting in 2011.

The cost of dog bins were £225 + VAT but it was discussed that although we could provide bins that they are unlikely to be used by the dog owners who refuse to clean up after their dogs. Bernard is to write an article about this to go into the AVN.

Ginny Wareham is to write to SNC about the land opposite the Three Canons and ask them to come and have a look at the access road. The curb stones seem too high and give the illusion that they are high and too close to the road which leaves cars giving it a wide berth. Not good if 2 vehicles are trying to pass each other.
